This subject discusses bilingual translating practice that involves Bahasa Indonesia (BI) texts as Texts 1 and English as texts 2, all of which use graphic channels of language. It aims at providing students with pre-intermediate bilingual translating practice at the level of discourse semantics, which deals with texts that involve story and information familiar genre families and types in particular (e.g. story: narratives, recounts; information: reports, descriptions) and at the level of lexicon-grammar, which deals with sentences/clauses, groups/phrases, words and morphemes. All teaching-learning activities are conducted through lecturing, discussion, and question-answer
