Week-	Final abilities of each learning stage (Sub-PO)	Evaluation		Help Learning, Learning methods, Student Assignments, [Estimated time]		Learning materials [References]	Assessment Weight (%)
		Indicator	Criteria & Form	Offline (offline)	Online (online)		
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)

1	Understand the basic concepts of media selection	1. Classifying media 2. Describing media selection		inquiry learning 2 X 50			0%
2	Understand the basic concepts of media selection	1. Classifying media 2. Describing media selection		case study 2 X 50			0%
3	Understand the basic concepts of advanced media selection	1. Classifying media 2. Describing media selection		Case study 2 X 50			0%
4	Understand the basic concepts of advanced media selection	1. Classifying media 2. Describing media selection		project based learning 2 X 50			0%
5	Able to classify the taxonomy and characteristics of media from various experts/figures	Classifying different types of media based on taxonomy: Rudy Bretz, Briggs,		Contextual instruction, discussion 2 X 50			0%
6	Able to classify the taxonomy and characteristics of media from various experts/figures	Classifying different types of media based on taxonomy: Rudy Bretz, Briggs,		Contextual instruction, discussion 2 X 50			0%
7	Understand the general criteria for media selection	1. Explain the criteria for media selection based on objectives 2. Explain the criteria for media selection based on material 3. Explain the criteria for media selection based on target characteristics 4. Explain the criteria for media selection based on method		Problem Based Learning, Contextual instruction, discussion 2 X 50			0%
8	Understand the general criteria for media selection	1. Explain the criteria for media selection based on objectives 2. Explain the criteria for media selection based on material 3. Explain the criteria for media selection based on target characteristics 4. Explain the criteria for media selection based on method		Problem Based Learning, Contextual instruction, discussion 2 X 50			0%

9	Understand the general criteria for media selection	1. Explain the criteria for media selection based on objectives 2. Explain the criteria for media selection based on material 3. Explain the criteria for media selection based on target characteristics 4. Explain the criteria for media selection based on method		Problem Based Learning Contextual instruction, discussion 2 X 50			0%
10	Understand the general criteria for media selection	1. Explain the criteria for media selection based on objectives 2. Explain the criteria for media selection based on material 3. Explain the criteria for media selection based on target characteristics 4. Explain the criteria for media selection based on method		Problem Based Learning, Contextual instruction, discussion 2 X 50			0%
11	Able to utilize learning media	Utilizing media in the teaching and learning process Use of media according to Morris		Contextual instruction, discussion 2 X 50			0%
12	Able to utilize learning media	Utilizing media in the teaching and learning process Use of media according to Morris		Contextual instruction, discussion 2 X 50			0%
13	Able to utilize learning media	Utilizing media in the teaching and learning process Use of media according to Morris		Contextual instruction, discussion 2 X 50			0%
14	Able to utilize learning media	Utilizing media in the teaching and learning process Use of media according to Morris		Contextual instruction, discussion 2 X 50			0%
15	Able to utilize learning media	Utilizing media in the teaching and learning process Use of media according to Morris		Contextual instruction, discussion 2 X 50			0%

| 16 | Students are able to care for learning media | Practice media maintenance according to media type | | Project based learning 2 X 50 | | | 0% |

Evaluation Percentage Recap: Case Study

Notes

1. **Learning Outcomes of Study Program Graduates (PLO - Study Program)** are the abilities possessed by each Study Program graduate which are the internalization of attitudes, mastery of knowledge and skills according to the level of their study program obtained through the learning process.
2. **The PLO imposed on courses** are several learning outcomes of study program graduates (CPL-Study Program) which are used for the formation/development of a course consisting of aspects of attitude, general skills, special skills and knowledge.
3. **Program Objectives (PO)** are abilities that are specifically described from the PLO assigned to a course, and are specific to the study material or learning materials for that course.
4. **Subject Sub-PO (Sub-PO)** is a capability that is specifically described from the PO that can be measured or observed and is the final ability that is planned at each learning stage, and is specific to the learning material of the course.
5. **Indicators for assessing** ability in the process and student learning outcomes are specific and measurable statements that identify the ability or performance of student learning outcomes accompanied by evidence.
6. **Assessment Criteria** are benchmarks used as a measure or measure of learning achievement in assessments based on predetermined indicators. Assessment criteria are guidelines for assessors so that assessments are consistent and unbiased. Criteria can be quantitative or qualitative.
7. **Forms of assessment:** test and non-test.
8. **Forms of learning:** Lecture, Response, Tutorial, Seminar or equivalent, Practicum, Studio Practice, Workshop Practice, Field Practice, Research, Community Service and/or other equivalent forms of learning.
9. **Learning Methods:** Small Group Discussion, Role-Play & Simulation, Discovery Learning, Self-Directed Learning, Cooperative Learning, Collaborative Learning, Contextual Learning, Project Based Learning, and other equivalent methods.
10. **Learning materials** are details or descriptions of study materials which can be presented in the form of several main points and sub-topics.
11. **The assessment weight** is the percentage of assessment of each sub-PO achievement whose size is proportional to the level of difficulty of achieving that sub-PO, and the total is 100%.
12. TM=Face to face, PT=Structured assignments, BM=Independent study.
