## German Literature Undergraduate Study Program **SEMESTER LEARNING PLAN** Compilation Date Courses CODE Course Family **Credit Weight** SEMESTER 7920604241 T=4 P=0 ECTS=6.36 Deutsch fuer Fortgeschrittene Compulsory Study Program Subjects April 29, 2023 **AUTHORIZATION** SP Developer Course Cluster Coordinator Study Program Coordinator Dr. Wisma Kurniawati, M.Pd. Dr. Phil. Agus Ridwan, M.Hum. Dr. Wisma Kurniawati, M.Pd. Learning model Case Studies Program Learning Outcomes (PLO) PLO study program which is charged to the course Able to master German language skills and apply them orally and in writing according to context with abilities equivalent to Common European Framework of Reference (CEFR) level B1 PLO-5 Program Objectives (PO) Students are skilled in German in the aspects of listening, speaking, reading and writing at level B1 with themes of daily life so they are ready to take the German language competency test at level B1 supported by appropriate grammar, vocabulary and communicative expressions. PO - 1 PLO-PO Matrix P.O PLO-5 PO-1 PO Matrix at the end of each learning stage (Sub-PO) P.O Week 1 2 3 6 8 9 10 11 12 13 14 15 16 PO-1 This course equips students with German language skills in the aspects of listening, speaking, reading and writing at level B1 (Niveaustufe B1) receptively and productively at the level of oral and written communication on the theme of everyday life and prepares students to take the German language competency test at level B1. The material studied is supported by grammar, vocabulary and communicative expressions according to the language level and theme studied. Lectures are held face-to-face (note: including online). Material is taken from various sources according to the theme and level of language progression to be achieved. Lectures are carried out in an integrated manner using a communicative approach including language theory and practice, with the aim of making students able to speak German comprehensively. In practical activities, students work independently, in pairs and in groups. Students practice German at German level B1. Assessment is carried out through activity in lectures, structured assignments, UTS and UAS. Short Main: References Dengler, Stefanie dkk. 2017. Netzwerk B1 Kursbuch . ## Notes 1.

- Learning Outcomes of Study Program Graduates (PLO Study Program) are the abilities possessed by each Study Program graduate which are the internalization of attitudes, mastery of knowledge and skills according to the level of their study program obtained through the learning process.

  2. The PLO imposed on courses are several learning outcomes of study program graduates (CPL-Study Program) which are used for the formation/development of a
- course consisting of aspects of attitude, general skills, special skills and knowledge.

  3. Program Objectives (PO) are abilities that are specifically described from the PLO assigned to a course, and are specific to the study material or learning materials for
- Subject Sub-PO (Sub-PO) is a capability that is specifically described from the PO that can be measured or observed and is the final ability that is planned at each
- learning stage, and is specific to the learning material of the course.

  Indicators for assessing ability in the process and student learning outcomes are specific and measurable statements that identify the ability or performance of student learning outcomes accompanied by evidence.
- Assessment Criteria are benchmarks used as a measure or measure of learning achievement in assessments based on predetermined indicators. Assessment criteria are guidelines for assessors so that assessments are consistent and unbiased. Criteria can be quantitative or gualitative.
- Forms of assessment: test and non-test.

  Forms of learning: Lecture, Response, Tutorial, Seminar or equivalent, Practicum, Studio Practice, Workshop Practice, Field Practice, Research, Community Service and/or other equivalent forms of learning.

  9. Learning Methods: Small Group Discussion, Role-Play & Simulation, Discovery Learning, Self-Directed Learning, Cooperative Learning, Collaborative Learning,
- Contextual Learning, Project Based Learning, and other equivalent methods.

  10. Learning materials are details or descriptions of study materials which can be presented in the form of several main points and sub-topics.
- 11. The assessment weight is the percentage of assessment of each sub-PO achievement whose size is proportional to the level of difficulty of achieving that sub-PO, and
- 12. TM=Face to face, PT=Structured assignments, BM=Independent study.
